

Student Housing and Dining Services would like to welcome you to UC Davis! We are glad that you have chosen to spend some time in Davis with your group and look forward to the opportunity to take care of your dining needs.

We do have a few reminders for you to share with your group members:

Dining Room Meal Hours

** Hours subject to change based on business demand

Segundo DC: June 22 (Lunch) to September 14 (Breakfast)

Breakfast	7:00am -8:30am
Lunch	11:30am-2:00pm
Dinner	5:00pm-7:00pm

Access to the Dining Rooms:

- All group participants will need to use the room card to enter the dining room.
- Lost cards may be replaced at the Tercero Area Conference Desk and are subject to a replacement fee of \$25.
- These cards are not transferrable to others and only allow one entry per meal.

It is our goal that all guests have full utilization of the DC and adequate food selections. Our menus do identify the 8 major allergens. Many of our foods are self-service and may be subject to allergen contamination when guests use utensils for multiple items. For the safety of all guests, we encourage all guests to wash hands thoroughly before eating, use the correct utensils for serving and take any food items touched.

We offer All-You-Care-To-Eat dining within the dining commons. Only a dessert or piece of fruit may be taken from the dining commons.

Food Allergies and Diet Accommodations:

Review our Food Allergies and Dietary Accommodations webpage (housing.ucdavis.edu/dining/nutrition/residential-dining-dietary-support-program) for comprehensive information on our Dietary Support Program! Guests with food allergies or other medical dietary restrictions should reach out to our Accommodations Team at specialaccom@ucdavis.edu to disclose diet restrictions and receive accommodations and support. We recommend including your program coordinator on any email communications related to dietary accommodations so they are aware and can provide additional support.

A variety of vegan, vegetarian, and Halal options are served daily on our menus! For additional information, please check out our Nutrition webpages at housing.ucdavis.edu/dining. We encourage you to review our online menu (housing.ucdavis.edu/dining/menus/dining-commons) for comprehensive information about our daily dishes, including nutrition facts, ingredients, allergens, and dietary preferences.

Catered meals, Pack Outs:

We can provide a wide range of catered options outside of the DC! Please contact us in advance so we may make all the necessary arrangements. We can assist with full catered meals for receptions or travel meals for field trips (pack outs). For catered meals, please identify the specific dates before your visit and coordinate your meal plan options with the Conference Housing Team prior to the 60-day contract. These catered meals will be an additional charge outside of your Conference Housing package. However, if they replace an existing meal at the Dining Commons, then the existing meal cost will be credited to your final catering bill.

Guest Meal Cards for Visitors and Commuters:

If your group would like to purchase Guest Meals for guests who are NOT staying with us through Conference Housing, please email us your needs at shdsmealcard@ucdavis.edu. Please plan your needs accordingly as we will be charging for the meal cards upfront at the time of pick up. These meal cards can be used at the Dining Rooms only and do not expire after they have been issued. If you have extra meal cards that you would like refunded, there will be a \$25.00 processing fee in addition to a \$0.50 charge per card returned. Please contact the dining office directly to arrange for a refund request and to return your unused meal card.

Contact information:

General Questions – Dining Office 530-752-6335 (shdsmealcard@ucdavis.edu)

Guest Meal Cards – Dining Office 530-752-6335 (shdsmealcard@ucdavis.edu.)

Pack Outs and University Catering (Pick Up, Delivery and set up events) – 530-752-2997 (catering@ucdavis.edu)

Dietary Accommodations – [Food Allergies and Dietary Accommodations Webpage](#) (specialaccom@ucdavis.edu)

It is truly our pleasure to have you as guests on our campus. We hope that you will find our dining team to be helpful and courteous. It is our goal to provide a pleasant dining environment with delicious meals.

Thank you,

Felipe Becerra
Director, Resident Dining
UC Davis Student Housing and Dining Services
